On Sunday April 21, the CiF sports department and Grup Esportiu Espalmador will put on the sixth De far a far. Walkers will hit the road at 9.00am at the es Cap lighthouse and participants in the footrace set out from the same point two hours later. Both will cut a 26K path to the lighthouse in la Mola.

Shuttle buses will take participants to the starting point. Walkers can catch the bus at 7.45am in la Savina port, at 8.00am at Poliesportiu Antoni Blanc and 8.15am at the crossroads of the es Cap and Cala Saona roads. Bus service for runners begins in la Savina at 9.45am and makes stops at the fitness centre and the es Cap/Cala Saona crossroads at 10.00am and 10.15am.

Online signups are open until Friday April 19 on elitechip.net, or up to an hour before the start times at the elitechip table at the starting points. The footrace costs €20 and the walk €15. The final three kilometres of es Cap road will be closed to vehicle traffic from 9.00am to 9.30am and 11.00am to 11.30am. No other roads will be closed because the rest of the route plays out on side streets and dirt roads.

De far a far is part of the Council's programme of events to attract visitors at the beginning and end of the traditional summer season, and this year is included in Holy Week celebrations.
