Earlier today the Formentera Youth Department announced details about the activities lined up next month at the island's youth drop-in centre. Councillor Vanessa Parellada told local youngsters to expect a renewed focus on awareness building this December, and encouraged youth to set time aside for Casal de Joves Christmas celebrations as well.

Programming will run the gamut, with activities on Tuesday 2 December commemorating International Functional Diversity Day (3 December); a Thursday workshop where participants can craft their own reflex-stimulators and a Friday mic-less karaoke session.

Christmas holidays

Day-one of Christmas holiday preparations on 11 December comes with an open invitation to help decorate the Casal for the yuletide season. As part of a Secret Santa on 16 December, participants are encouraged to give gifts made from recycled materials.

On 19 December the fun is at Es Cap football pitch, where youth are invited to join a mixed match. Participants are asked to reserve in advance.

Wednesdays at the Casal are film days and this month is no exception. On 23 December the 13+ street dancers that meet 4.30pm to 5.30pm every week from Tuesday to Saturday will screen a demo video recorded by the group. The December programme concludes on the 29th with a FIFA 2020 competition.

Covid-19 safety measures will be in place at all events.
